

**Big Critter.**

*By Rena J. Jones, Bigfork submitted this grizzly, a photo taken at the Grizzly Wolf Discovery Center in October 2007.*

**Little Critter.**

*Lena Dresback of Kalispell titled this guy, "Mr. Photogenic."*

**Big Eyes.**

*This horned owl is by Dean Hellinger of Devon.*

**Little Eyes.**

*The ruffed grouse was alongside the Cottonwood Trail in December in the Big Snowy Mountains, according to photographer Margaret Sorensen.*

# CRITTERS

**S**orry about all the snow in these photos, but we've been collecting reader photos of all creatures great and small for a spell.

As you can see, we're calling for your wildflower pictures. We'd like to see a few amusing pet shots. Please don't stage stunts that could harm the pets. Thanks.

## Reader Photo Page

**RM** invites readers to send their very best photographs. We'll pay \$10 for each picture used. Send prints or CDs to: *RM Photo Page*, Box 3469, Great Falls MT 59403. E-mail [rural@mtco-ops.com](mailto:rural@mtco-ops.com), subject line: *RM Photo Page*. Three digital images or 5 MB at a time, please. High resolution, 300 or better. No dead animals. Give us your name and address so we know where to send the check.

*We're looking for Wildflowers*
